GRANT REQUEST AMOUNT: \$ _____

PROJECT DESCRIPTION

Please provide a brief description of your project including: where and when it will be held, who will work with you on this project. Use the back of this page if additional space is needed.

BENEFITS TO THE COMMUNITY

Using the back page if additional space is required, please explain for each of the following areas, how your project will benefit the community.

- ** increase community participation?
- ** deepen or create social connections?
- ** offer residents leadership opportunities?
- ** improve/uplift the lives of residents?

Telling others in your community about what happened at your event or in your project is a vital part of community building. How will you tell your story?
